INTRODUCTION

Thank you for selecting our property for your housing needs.

Welcome to your new abode! We are very pleased that you have chosen to make your home with us and we are excited about having you as a resident. Our goal is to provide exceptional service to our residents. We treat all residents with respect, enthusiasm and a positive attitude in every encounter.

The policies and guidelines contained in this Resident Handbook are attached to and made a part of your Lease Contract (the "Lease") by reference. As such, you should read this handbook very carefully because you agree to be bound by these policies when you sign your Lease. You are also responsible for your guest's, family and friends, compliance with all policies and guidelines. Violations of rules contained in this Handbook may be subject to fines leading up to eviction. We have a right to change this Handbook from time to time as we deem necessary. Any changes to this Handbook will be effective and a part of the Lease once they have been delivered to you or posted in a public area of the community used for such purposes. The terms "you" and "your" refer to all residents listed on the Lease. The terms "we", "us", and "our" refer to the Landlord, Management or Representatives listed on the Lease. All terms in this Resident Handbook shall have the same meaning as in the Lease.

Everyone in a community has the responsibility to maintain the safety and well-being of the community, to maintain the condition of the facility, and to take initiative and action if there is a violation of community standards. Your presence during any violation of the community’s standards or policies ultimately condones supports and/or encourages violation(s). You are responsible for the choices you make. If you witness a crime, please call 911 immediately, and then contact the management office.

We strongly encourage you to purchase Renter's Insurance to protect yourself against loss to your personal property, as well as any damages to property in the community caused by your failure to comply with the policies and guidelines of your Lease and this Handbook. Our vision is that individuals accept ownership of and take responsibility for resolving conflicts and problems in their community. In the event that a conflict arises that you have not been able to resolve, please do not hesitate to contact us.
I. THE LEASE

A. Occupancy Standards
The number of occupants is limited according to the terms of the Lease and/or the Lease Application, or as contained in the Statement of Rental Policy presented in the leasing office of the community. You are required to comply with these limitations.

B. Rent Payment
Payments are due on the first day of the month. You can pay the rent at the management office or take advantage of one of our online options.

1. Forms of Payment
You can pay by check, money order, certified or cashier's check or pay online, by Credit Card or Auto Debit from your checking or savings account. **We cannot accept cash in the management office.**
   - Auto Debit Options: Auto Debit payments can be deducted from a checking or savings account. There are two options for Auto Debit: the first option is to make a one-time payment at an amount and date specified by you: the second option is to set up recurrent monthly rental payments (ACH Payments) that are automatically processed on the first business day of each month. No additional fees will be charged for either Auto Debit option.
   - Credit Card Options: Credit Card payments can be made on a one-time basis or continued monthly. One-time payments are processed immediately (based on approval from management). This service may include a convenience fee.

2. Late Payment and Returned Checks
If your rent payment is received (not postmarked) after the date specified on the Lease, you will be charged late charges as stated in the Lease. A returned check fee, plus applicable late charges will be assessed on all checks returned by a bank for any reason. Checks will not be re-deposited. Returned checks must be redeemed by money order or cashier's check within 48 hours of notification. Late charges will be charged from the first late day. After two returned checks, we will no longer accept checks for your rent payment or any other charges owed. It is your responsibility to ensure that all rent payments and other charges are paid on a timely basis. All monies received from you will first be applied to any outstanding debts such as delinquent rent, late fees, non-sufficient funds (NSFs), utilities, charges for damage repair, etc. Any remaining monies will then be applied to the current month's rent. If any amounts are deducted to cover a balance, your current month's rent will NOT be considered paid in full and late fees will be assessed.

3. After-hours Payments
Payments can be made after hours by dropping off your check, money order or cashier's check in the night drop at the management office. Be sure to include your name, exclusive space number and/or apartment number on the check, money order or cashier's check to ensure timely processing. If late charges are applicable, they will be assessed to your account and/or
the payment re-turned. We have the right to refuse any payment that does not pay your balance in full.

C. Re-let Policy
The Lease does not allow you to cancel the Lease early. There are two ways you can Re-let your apartment provided you are not in default under the Lease.

- Assisted Re-let: If you need our assistance in locating a new resident to take over the Lease, you can complete a Re-let and Release Acknowledgement form and pay a re-letting fee equal to 85% of one month's rent. As stated in Section 11 of the Lease, the re-letting charge is an agreed-to, liquidated amount, covering only part of our damages that is, our time, effort, and expense in finding and processing a replacement.

- Unassisted Re-let: If you have someone willing to take over your bed space, you can complete a Relief and Release Acknowledgement form and pay a re-letting fee of $200. In either case, the new resident and new guarantor will need to be approved by us. After the new resident has been approved, the new resident will sign a new lease and the new resident's guarantor will sign the Guaranty Agreement. Though the apartment will have been prepared before the new resident's arrival, the new resident must inspect the apartment, note all damages on the move-in condition form and accept the apartment. The new resident will pay the security deposit, application fee, prepaid rent, and all other applicable fees and deposits. Once these conditions have been met, the effective date of the transfer will be the date the new resident moves in ("Effective Date"). You will be refunded your security deposit, less any deductions for damages, cleaning or other charges associated with the Lease (but not from liabilities or damages to the apartment arising prior to the effective date of the transfer). You and your guarantor will remain financially liable for all charges incurred until the Effective Date and will be released from all obligations under the Lease which arise after the Effective Date. The new resident will arrange for all utilities payable by you to be switched over to them; however, you should ensure the utilities have been taken out of your name. If you have paid a re-letting fee and the transfer to a new resident is unsuccessful, you will receive a credit toward future rent payments.

D. Transfer Policy
You will be allowed to transfer to a different unit, bedroom or bed space within the community or another Foresight Management community provided the following conditions are met:

- You must be in good standing prior to approval of transfer
- Your apartment will be inspected and if damages are assessed, all damages will be paid prior to approval of transfer
- You may be assessed a transfer fee
- If the rent for the new space is higher, we have the right to re-verify income
- You will sign a new lease and addenda with new a new date, rental amount, etc.
- If you are transferring to a different community, in addition to the above Items, you will be required to pay a new security deposit

E. Utilities
The Utility Addendum attached to the Lease specifies which utilities are provided by us and included in your rent and which utilities are not provided by us. You and your roommates will be responsible for establishing service with the utility companies that are not included with your rent. You will be billed and must pay those utilities directly to the utility companies, along with
any deposits and fees. If you want additional cable channels, if available, they will be at your expense and you must contact the appropriate provider. You and your roommates are jointly liable for the payment of utilities not provided by us. You are required to place the utilities in your name within one business day of moving in or you will be in default in accordance with the terms of the Lease. The utilities must remain on, and in your name, until the end of the Lease. You will be responsible for penalties, processing fees and damages resulting from utilities being turned off prior to the end of the Lease.

F. Guests
A guest may not stay in your bedroom for more than one weekday or one weekend in any calendar month. Prior approval must be obtained from your roommates and the management office for guests wishing to extend their stay. Guests must abide by the policies in this Handbook. You are responsible for the actions of your guests and informing them of the rules of the community, including parking (see Parking under Your Community in the Handbook). You should refer to the section on Keys under Protecting Yourself in this Handbook for the procedure on authorizing access to a guest in your absence.

G. Vacant Bedrooms
Vacant bedrooms are to be locked at all times. If a vacant bedroom is broken into and/or found in use, you and your roommate(s) will be assessed rental payments from the date of the last inspection by us until the date we discover the use of the bedroom. If applicable, the cost of repair and/or damage will be assessed to you and your roommate(s). This action may be referred to the police department as breaking and entering.

H. Roommate Remediation
If a conflict arises between you and your roommate, it will not be considered grounds to terminate the Lease. Additionally, it is not our responsibility to resolve the conflict. We will assist you with mediation and finding possible solutions; however, it will be the responsibility, of you and your roommate to find a resolution in a conflict. In the event of transfer as a solution, all applicable transfer fees will apply.
II. YOUR APARTMENT HOME

A. Appearance

1. Patios/Balconies
You agree to keep neat and clean all patios and balconies of the apartment, and you will not use these areas for the storage of automobile tires, firewood or other unsightly or heavy items, or to dry clothes or towels. Only outdoor furniture and related patio items may be placed on any patio or balcony. Use of gas or charcoal grills on the patio is not allowed. No unsecured plants are permitted on the ledges or protruding from the railing. You should never have more than six persons on a balcony at any given time. No motorbikes or mopeds are allowed. The storage of bicycles on patios and balconies is subject to approval by management.

2. Flags/Signs
Signs and banners may not be hung from patios, balconies, windows or from any area that would be visible from the exterior without prior approval by management.

3. Antennas/Satellite Dishes
For safety reasons and to maintain the appearance of the community, we do not allow any kind of outside antennas or satellite dishes to be installed unless approved in writing by us ten (10) days prior to installation. If you wish to install a satellite dish, you must send written notice to us prior to installation. You agree to pay any additional security deposit required for installing the satellite dish. The satellite dish and all wiring must be installed within your apartment, or within the confines of your patio or balcony attached to your apartment. The satellite dish must not extend beyond the edge of the patio or balcony railing and cannot hang out of a window or be mounted on the building eave or roof. The dish must be installed in a manner which minimizes its visibility from the exterior. The satellite dish may not be installed by drilling holes in railings, exterior walls or any other location. The only acceptable way to install the satellite dish is with a removable clamp or tripod that does not require drilling, nails, lags or screws into the structure, roof, walls or related improvements. The dish must be mounted securely so that it cannot be dislodged. A removable "through the glass" transmitter must be used to transmit the signal from the dish to the interior of the apartment (RadioShack® carries such a transmitter called "Glass Link"). You are liable for any injury or damage to persons or property caused by the dish; therefore, you must maintain liability insurance to cover any such injury or damage as long as you have the satellite dish at the community. You must provide proof of insurance (insurance certificate) as set out in the Lease. The satellite dish is installed and operated at your own risk. We reserve the right to approve all mounting of outside antennas and/or satellite dishes. Not all apartment locations are positioned for good satellite reception. Transferring to another apartment for better reception is not permitted unless the current lease has expired. You must re-apply and follow all application procedures.

4. In-Unit Utility Closets
The utility closets housing water heaters and/or heating and air conditioning equipment are not to be used for personal storage or as a trash receptacle at any time.

5. Windows/Draperies
Windows and doors cannot be obstructed by you. If we provide blinds on the windows, they cannot be removed by you. If you install draperies or blinds, you must remove them at the end
of the Lease term and any damage to restore the apartment will be at your expense. All window coverings must show a white backing - this includes both drapes and blinds. Aluminum foil, tinting, cardboard, signs and/or other items may not be placed over windows where they can be seen from the exterior. If you install draperies over blinds, any damage will be repaired and charged to you. Holiday decorations are allowed but must be removed within one week of the holiday. Nothing shall be thrown out the windows or doors. You cannot leave windows or doors open during inclement weather. You will be responsible for any damage, including, but not limited to, paint, wall, cabinets, carpets and floors resulting from failure to exercise reasonable care.

6. Decorating/Painting/Wall Hangings
No structural changes or additions may be made to the exterior of the building including the front entrance, patios and balconies. No alterations may be made to your front door or entrance to your apartment. Front door mats are encouraged, but we reserve the right to remove mats that are not designed for outdoor use, such as carpet remnants. Colored light bulbs are prohibited in all exterior fixtures. On the interior of your apartment, you have the freedom to decorate by hanging pictures or other decorative objects. Stickers, including glow in the dark stars, double-sided adhesive foam or tape are not allowed on walls, ceilings, windows, cabinets, exterior or interior doors. You must obtain written permission from the manager to perform any repairs, painting, wallpapering, carpeting, electrical changes, or to make any other changes to the interior or exterior. It will be your responsibility to return the apartment back to the original condition or you will be charged. All shelf paper, tub or shower decals, shelf brackets, hooks, towel holders must be removed. If you put these on walls, ceilings, doors, etc., there will be a charge for removal.

7. Public Areas
For the safety of all residents and to preserve the appearance of the community, please do not store any personal belongings in the walkways, hallways or entranceways. Please do not congregate in hallways.

8. Grounds
We would appreciate your cooperation in keeping the lawn areas free of litter cigarette butts, bicycles and other equipment.

9. Trash
All trash should be bagged and placed inside the compactor or dumpster designated at the community and should not be left in the apartment, breezeways, or other common areas. Cigarette butts must be disposed of properly and are not allowed to be thrown on the exterior. Do not put hot ashes or coals, paint, chemicals, motor oil or other hazardous materials of any nature whatsoever in any trash receptacles, dumpsters or similar containers. We have the right to impose reasonable fines for the violation of these provisions, as well as for any littering by you or your guests.

B. Grills and Barbecues
Fire regulations prohibit using or storing gas or barbecue grills in and around buildings, including patios and balconies, and around heavily wooded areas. You should use grills in accordance with local ordinances (see community representative for restrictions). Gas or Barbeque Grills are not allowed on any patios or balconies under any circumstances.
C. Apartment Entry
We respect your right to privacy. Without prior written consent, we will not give any person access to your apartment. However, our staff may enter your apartment as follows:

In such Situations, you do not have the right to refuse to open a door and you must allow access.

G. Pets

If we do not accept pets at the community and you are found to have a pet, you will be subject to a minimum fine of $250 for each occurrence. Multiple occurrences may be subject to additional fines leading up to eviction. Pet companions for the disabled are welcome.

F. Personal Property Restrictions
You and your guests are not allowed to place any unusually heavy objects on the floor, such as pool tables, waterbeds, motorcycles, etc. You and your guests agree not to store firearms, explosives, gasoline, dangerous or hazardous materials in your apartment, storage facility or balcony.

G. Bicycles
Please use designated bicycle racks or carefully store bicycles in your apartment (bicycle hooks are not allowed). You must ride responsibly through the community and obey all posted traffic signs. The operator of a bicycle must not interfere with the right-of-way of pedestrians. Due to life safety concerns, bicycles found in patios, balconies, hallways, breezeways, stairways, or which are otherwise blocking public access to exits will be removed and impounded (a fee may be imposed for removal and storage). To protect your bicycle from theft, please get a quality lock and properly secure it to the bicycle rack. Bicycles may not be secured to any tree, shrub/plant, stairway or walkway handrail, light or sign post, etc. Bicycles must be removed on your scheduled move-out day.

H. Business/Private Enterprises
Conducting any kind of business in your apartment or in the community is prohibited – except that any lawful business conducted "at home" by computer, mail. or telephone is permissible if customers, clients, patients, or other business associates do not come to your apartment for business purposes.
III. PROTECTING YOURSELF

A. Crime
We do not guarantee or assure your personal security and our actions are voluntary in an effort to reduce the risk of crime in the community. You agree that the provision of safety devices and patrol services will not constitute a guarantee of their effectiveness nor impose an obligation to us to continue providing these services. If you witness a crime, please call 911 immediately and then contact the management office.

B. Personal Safety
Though we do our best to provide a safe living environment, no community is immune to crime. The following guidelines will provide you with basic, easy-to-follow tips to help you protect yourself.

1. In-side your Apartment
We recommend you follow the important safety guidelines inside your apartment as follows:

• Dial 911 for emergencies. If an emergency arises, call the appropriate governmental authorities first, and then call the management office.
• Lock your doors and windows - even when you are inside.
• Use night latches or dead bolt locks on the doors while you are inside.
• When answering the door, please see who is there by looking through a window or peephole. If you do not know the person, first talk with him or her without opening the door. Do not open the door if you have any doubts.
• If you return to your residence and you think it has been entered illegally, do not enter. Call 911 immediately when you suspect illegal entry, and then call the Office.
• Never give out keys, gate or lock combinations. If lost or stolen, please call us immediately to re-key. You, of course, must pay the fee to re-key the locks to us.
• Keep a complete list of the serial and/or identification numbers of your computer, television, VCR, stereo, etc., which may greatly aid in recovering stolen goods.
• Keep valuables out of sight by drawing curtains or blinds and storing such items away from windows.
• Never leave a note on your door stating you are not home.
• Do not display apartment keys in public or carelessly leave them in the mail area, at the pool, in the laundry room, common areas or other places where they can be easily stolen. Please remove your keys from the door lock as you enter your unit.
• Do not put your name, address or telephone number on your key ring.
• Check your smoke detector monthly for dead batteries or malfunctions.
• Check your door locks, window latches and other security devices regularly to be sure they are working properly.
• Close and latch your windows while you are gone, particularly when you are on vacation.
• Leave a radio or television playing softly while you are gone.
• Immediately report the following to us in writing, dated and signed:
  ◊ Any needed repairs of locks, latches, doors, windows, smoke detectors, and alarm systems; and,
  ◊ Any malfunction of other safety devices outside your apartment such as broken gate locks, burned-out lights in stairwells and parking lots, blocked passages, broken railing, etc.
• Close curtains, blinds and window shades at night.
• Mark or engrave identification on valuable personal property.
• Use lamp timers when you leave for extended periods of time.
• In a residential community, screaming may sound like horseplay. In an emergency, be specific by shouting "Help!" "Police!" or "Fire!"

2. Out-side your Apartment
We may provide systems or services such as courtesy officers, courtesy patrols, electronic alarm systems, emergency alert buttons, pedestrian gates, limited access vehicle gates and gate houses (manned and/or unmanned). These services or systems are not a guarantee of personal safety or security and they are not a guarantee against criminal activity. We have the right to alter or cancel any of these systems or services without notice. We have no duty of security or personal safety except to proceed with diligence to repair any systems after notification that such systems are not working. We recommend you follow the important safety guidelines outside your apartment as follows:
• When returning to your apartment late in the evening, if possible, always use the main property entrance or commonly used walkways.
• Lock your doors while you are gone.
• Tell your roommates where you are going and when you will be back.
• Do not walk alone at night.
• Do not hide a key under the doormat or a nearby flowerpot. These are the first places a burglar will look.
• Do not give entry codes or electronic codes to anyone.
• At all hours, carry your door key in your hand when nearing your entry door. You are more vulnerable when looking for your keys at the door.
• If you notice suspicious persons loitering around the property, please report them immediately to the proper authorities. DO NOT confront them yourself.
• Please report any malfunctioning lights to the management office.

C. Renter's Insurance
You are responsible for obtaining renter's insurance for your personal belongings and to protect yourself against any liability. You understand that the insurance in place for the community does not provide coverage for your personal belongings, property damage or bodily injury. If you or your guests suffer a loss due to fire, flood, vandalism, theft, or other cause of loss, that loss will not be covered by the community's insurance. Please feel free to use the community's telephone and directory to secure information on available coverage in this area. In general, renter's insurance is not expensive and can provide substantial protection and peace of mind. We may at our option require you to obtain Renter's Insurance and provide us with proof of insurance. Regardless, we strongly recommend that you obtain Renter's Insurance.

D. Keys and Key Release
If you receive an access code, card or key, you agree to use the access code, card or key for your personal use. You understand that duplicate keys or entry devices must be made by us, and that all keys or entry devices issued must be returned at move-out. **You cannot change the entry locks or otherwise deny us access to the apartment.** If keys or entry devices are not returned or are lost, a replacement charge will be assessed for each item. If key or entry device is lost or stolen, you should notify us immediately. If you wish for us to release a key to your apartment to anyone not listed on the Lease, you must complete a Key Authorization Form (see a community representative to obtain form). You will provide any necessary access codes.
to the individual(s) receiving a key. You understand that it is your responsibility to notify us in writing should any person listed on a Key Authorization Release no longer have permission to access the apartment. You will inform person(s) listed on the key release that we will require valid photo identification prior to releasing any key or allowing access. We are not liable for unreturned keys or any damages to you, your roommates or your guests for injury, damage or loss to person or property caused by criminal conduct of other persons including theft, burglary, assault, vandalism or other crimes.

E. Security Devices
No security system is fail-safe. Even the best system cannot prevent crime. Always proceed as if security systems do not exist since they are subject to malfunctions, tampering and human error. The best safety measures are the ones you perform as a matter of common sense and habit. We have no duty to furnish (or to continue to furnish) alarms of any kind, security guards or other security devices, except as required by law. If we furnish any security device in the apartment, we will have no obligation or duty to inspect, test or repair any security device unless you request us to do so in writing. You must inspect the security devices upon move-in, and you will be given the opportunity to make comments on the condition on the “Move-In Condition Form.” We will make needed repairs only after receiving a written request from you. Any and all security devices you install must comply with all applicable laws and you will be responsible for any damages relating to the installation and malfunction of any security device installed by you. You will also be responsible for removal of the system at the end of the Lease.

F. Fire Safety
Please call 911 if there is a fire or smoke.
Disabling or tampering with a fire extinguisher, pull stations or smoke detectors is a violation of the law and may lead to fines and possible early termination of the Lease. Prevention is your best insurance against fire. We recommend that you follow these simple safety precautions in your own apartment to prevent fires:

- Let cooking grease cool and pour into metal can. Never pour hot grease into a plastic container.
- Do not put water on a grease fire. Call 911 immediately.
- Do not let grease or oil cook on the stove unattended.
- Properly dispose of all lighted tobacco products in appropriate metal containers. Ensure all lighted tobacco products are out before leaving them unattended.
- Avoid cooking while intoxicated, taking medication or when sleepy.
- Use an empty metal container to dispose of hot ashes from the fireplace. Never dispose of ashes at or around patios or shrubs or in a garbage can.
- Test smoke detectors monthly to make sure they are working.
- Do not store gas-operated tools or vehicles (motorcycles or scooters) inside the apartment or under stairwells, breezeways, patios or balconies.
- Do not burn candles of any kind.

G. Fire/Earthquake
If there is a fire, do not rush out of your apartment into the hallway or breezeway. First, feel the door. If it is hot, use another way out. If the door is cool, leave by the nearest exit. If your planned escape route becomes smoky, get down on your hands and knees and crawl... smoke rises, so the cleanest air is near the floor. If you cannot escape your apartment, stuff wet towels, sheets and clothes around the door and vents to keep smoke out. Call 911 and give them your
exact location. If no smoke is coming into the room, slightly open a window. Stay low and wave a bright cloth, towel or sheet out a window to signal your location. During an earthquake, you should sit in a doorway or under a desk or table. Stay away from glass windows, shelves and heavy equipment. If you are outdoors, move away from buildings, utility poles and other structures.

H. Severe Weather Preparations

- You should obey all evacuation orders issued by local, state or federal agencies. Do not wait for instructions from the community.
- Monitor the radio or television for the latest information - check the weather forecast before leaving for extended periods outdoors and postpone plans if severe weather is imminent.
- Prior to the storm, notify family, friends and neighbors as to your whereabouts and your plans. Establish a post-storm communication plan - place and time to meet, etc.
- Remove all items from your porch or balcony and close all windows and doors (draw the shades or blinds on windows).
- During severe weather, go to an inner hallway or small inner room such as a bathroom or closet. Stay away from windows, doors and outside walls. If necessary, get under a piece of sturdy furniture and use sofa cushions to protect head and neck.
- Do not use plug-in electrical equipment like hair dryers or toasters during the storm. Do not use land-line telephones during the storm as lightning may strike outdoor lines. If you have a cellular phone, ensure that it is fully charged the night before.
- Stock up on bottled water.
- Stock up on batteries and ensure that you have at minimum one (1) working flashlight (we recommend one per occupant). Most importantly, remember not to use open flame devices such as candles, indoor grills, etc. - these are restricted per the Lease agreement per the State Fire Marshall as they pose significant danger.
- If the storm is severe, collect any forms of identification, credit cards, emergency contact numbers, etc. and keep them with you.
- Keep all medications with you.
- With careful planning, food products can last for several hours in both the freezer compartment and in the refrigerator. The key to ensuring that food does not spoil, especially in the freezer, is to minimize the amount of times the doors are opened. You can plan for this by taking out non-perishable drinks that can be stored at room temperature (soda, water, canned or packaged juices). Extra Ziploc bags full of ice cubes are another step to help ensure that items in the freezer stay at the right temperature. For more information on how to prepare for these types of events and for basic first aid, you can log on to FEMA's website: http://www.ready.gov/makeaplan.html

I. Freezing Weather

If freezing weather is expected, you should open the cabinet doors under the kitchen and bathroom sinks so that the exposed plumbing fixtures do not freeze. If you are going to be away from your apartment for an extended period of time, please leave the thermostat set to "auto" and at a minimum of 55 degrees. These precautions are essential in order to avoid substantial damage to your apartment and personal belongings from broken pipes. If you fail to take these precautions, you may be liable for damages to your apartment and any other affected areas.

J. Holiday Checklist
• If you plan to travel when rent is due, you should make advance arrangements for the payment of your rent. If you are mailing your payment, make sure you allow ample time for it to reach us by the 1st of the month. You can also take advantage of one of our other options as covered in section on Forms of Payment under Your Lease.
• In cold weather, set your heater on "auto" with the temperature set on 55. Be sure to leave cabinet doors open under all sinks.
• In hot climates set your heater on "auto" with the temperature set on 80.
• Leave a visible light on. You may want to use an automatic timer on your lamp.
• Do not leave notes on your door or a message on your answering machine indicating you are away.
• You should leave emergency contact numbers with the office.
• Take any valuables (TV, stereo, computer, jewelry, etc.).
• Make sure all windows and doors are locked.
IV. MAINTENANCE

A. Service Requests
We offer 24-hour response to emergency service requests. Call 911 in case of fire or other life threatening situations. For After-hours Emergencies (as defined below), call the management office number and explain the situation. They will contact the proper service personnel. For normal service requests, please follow the instructions provided with the lease. You may go online to the Foresight Management website to file a service request and track it on the custom resident on-line portal at www.hollywoodhousing.com. In an attempt to effectively manage after-hours calls, we categorize calls into two categories:

After-hours Emergencies and Priorities
◊ An After-hours Emergency is defined as any breakdown or malfunction in which life, health, or property is threatened if immediate corrective action is not taken. Though it is impossible to list or predict all possible scenarios, the list below includes some of the reasonably acceptable types of real emergencies.
◊ Priorities are calls that do not conform to criteria for an After-hours Emergency - in short, they are routine service calls which can wait until morning, at which time the work order will be given priority status. You can be fined for requesting an After-hours Emergency when the call is an obvious routine service call.

B. After-hours Emergencies
Examples of After-hours Emergency requests are as follows:
• No heat or air-conditioning when outside temperatures are less than 50 degrees or higher than 80 degrees
• Electrical or gas failure of any nature
• Overflowing toilet (turn off the water, then call)
• Stopped up toilet if only one is available in apartment
• Water problems such as leaks, severe back-ups, or broken pipes
• Malfunction of an essential appliance (non-working refrigerator)
• No water
• No hot water when affecting more than one unit, when exterior temperatures are below 50 degrees
• Any unsecured or damaged entry
• Malfunctioning controlled access gates
• Any threatening situation such as: fire, flood, severe weather, police action, protecting a crime scene (broken windows, locks, doors, etc.)
• Bio-hazards or chemical spills (not household products)
• Lock-outs

C. Mold/Mildew Prevention
Leaks and moisture that are allowed to accumulate on apartment surfaces or inside walls or ceilings can encourage mold/mildew growth. Properly utilizing your air conditioner and exhaust fans is the best way to control moisture accumulation (see HVAC Section under Maintenance for usage guidelines). Prolonged moisture can result from a wide variety of sources, such as:
• Rainwater leaking from roofs, around windows, and doors:
• Overflows from showers, bathtubs, toilets, lavatories, sinks, washing machines, dehumidifiers, refrigerator or ALC drip pans, or clogged condensation lines;
• Leaks from plumbing lines or fixtures and leaks into walls from bad or missing grouting/caulking around showers, tubs or sinks;
• Washing machine hose leaks, plant watering overflows, pet urine, cooking spills, beverage spills and steam from excessive open-pot cooking;
• Leaks from clothes dryer discharge vents (which can put lots of moisture into the air); and,
• Insufficient drying of carpets, carpet pads, shower walls and bathroom floors

You acknowledge that it is necessary for you to provide appropriate climate control, keep the apartment clean, and take other measures to retard and prevent mold and mildew from accumulating in the apartment. You agree to clean and dust the apartment on a regular basis and to remove visible moisture accumulation on windows, walls and other surfaces as soon as reasonably possible. You agree not to block or cover any of the heating, ventilation or air conditioning ducts in the apartment. You should be aware of any leaks in washing machine hoses and discharge lines. You’ should also leave the bathroom door open to allow moisture to escape. Floor mats and towels should be hung up so they can dry. Humidity that is trapped in your apartment may encourage mold growth. You may want to periodically open your windows on days when the outdoor weather is dry (i.e. humidity is below 50 percent) to help humid areas of your apartment dry out. Be sure you close them before leaving and at night for precautionary measures.

You also agree to immediately report to the management office: (1) any evidence of a water leak or excessive moisture in the apartment, as well as in any storage room, garbage or other common area; (2) any evidence of mold or mildew-like growth that cannot be removed by simply applying a common household cleaner and wiping the area; (3) any failure or malfunction in the heating, ventilation or air conditioning system in the apartment; and (4) any inoperable doors or windows.

If small areas of mold have already occurred on non-porous surfaces (such as ceramic tile, Formica, vinyl flooring, metal, wood or plastic), the federal Environmental Protection Agency (EPA) recommends that you first clean the areas with soap (or detergent) and water, let the surface dry and then within 24 hours apply a pre-mixed, spray-on type household biocide, such as Lysol Disinfectant, Tilex Mildew Remover or Clorox Cleanup. (Note: We do not recommend or indorse one product over another and further, only a few of the common household cleaners will actually kill mold.) Be sure to follow the instructions on the container.

NEVER MIX AMMONIA WITH BLEACH.

Always treat an area five or six times larger than any visible mold because mold may be adjacent in small quantities that are not yet visible to the naked eye. A vacuum cleaner with a HEPA filter can be used to help remove non-visible mold products from porous items such as fibers in sofas, chairs, drapes and carpets - provided the fibers are completely dry. Washing and dry cleaning will remove mold from clothes. Do not clean or apply biocides to: (1) visible mold on non-porous surfaces. Instead, please notify us in writing, and we will investigate and take appropriate action for you. If you fail to comply with the above guidelines, you can be held responsible for property damage to the apartment and any health problems that may result.
Specifically, you realize that by living in the apartment you are in the best position to detect the presence of any leaks, mold or mildew growth, or the accumulation of any water in your apartment and that we are relying upon you to promptly notify us of any of these problems so we may take action. In addition, you agree to take the above measures and any other common sense measures to prevent the accumulation of water until we are able to assess and correct the problem areas.

D. Lockouts
If you inadvertently lock yourself out, you can call the management office number. If it is after hours, explain the situation and they will contact the proper service personnel. You will be required to provide photo identification and the service personnel must be able to identify you by pulling your file or the housing roster. After regular business hours, there will be a minimum lock-out charge of $75 per lock-out. Additional charges may be assessed for repeat occurrences.

E. Light Bulbs
Your apartment is supplied with light bulbs at time of move-in. After move-in, it is your responsibility to replace burned out light bulbs in any fixtures or personal lamps. If you need assistance in replacing the light bulbs, call the management office. Please report unlit bulbs over walkways, halls, or common areas to us.

F. Plumbing/Lavatories
Lavatories, sinks, toilets and all water and plumbing apparatus shall be used only for the purpose for which they are constructed. Sweepings, rubbish, rags, cat litter, ashes, feminine hygiene products and other foreign substances shall not be thrown in any plumbing apparatus. Any damage to such apparatus and the cost of cleaning and/or repairing plumbing resulting from misuse will be charged to you. We have provided a plunger to have available in the event you have a clogged toilet.

G. Property Appliance Usage

1. Operating your garbage disposal:
Run cold water through garbage disposal and keep water running.
   • Turn on garbage disposal.
   • Gradually put food into garbage disposal.
     ◊ Avoid hard objects such as chicken bones, steak bones, etc.
     ◊ Avoid putting large pieces of food into garbage disposal. Remember, it has to fit into a very small hole at the base of the unit about the size of a nickel.
     ◊ Avoid putting bottle caps, glass, foil, rags, cigarettes, string, paper, or grease down garbage disposal. This will build up and cause clogging.
     ◊ Avoid putting pasta, egg shells, or anything fibrous, (i.e. celery, artichokes, corn husks, potato peelings, carrots peelings) into the garbage disposal. These items stick to the side of the garbage disposal causing it to become clogged.
   • Allow garbage disposal to run 10 seconds after food clears.
   • Turn off garbage disposal.
   • Continue running water for 15 seconds more. This allows food to flush through.
   • Turn off water.
Tips on using the garbage disposal:
◊ Hot water running through the garbage disposal works well with greasy foods.
◊ Cold water running through the garbage disposal works well with lettuce.
◊ Ice running through the garbage disposal helps clean the disposal.
◊ Lemons put into the disposal will help the garbage disposal smell better.
◊ Run the garbage disposal a few minutes before running the dishwasher since the dishwasher drains through the garbage disposal.
◊ Keep the cover in the stopper position when not in use (this will prevent foreign material from accidentally dropping into the disposal unit).

If the garbage disposal quits working, press the reset button under the garbage disposal unit (located under the sink) and turn the switch on. If the disposal still does not operate, please call the management office and we will send someone out to repair the unit.

2. Care & Cleaning of Washer/Dryer
When using the washer, leave the lid open after washing to allow moisture to evaporate. The wash basket is practically carefree -if you want to clean the basket use a clean soft cloth dampened with liquid detergent, then rinse (do not use harsh or gritty cleaners). To rinse, choose the largest load size, turn the cycle knob to any rinse setting and start the washer. Do not overload the washer or dryer. Overloading the washer or allowing the washer to become unbalanced can cause damage to the washer and you will be responsible for any such damage. The lint filter in the dryer should be cleaned before each use. This helps the dryer operate efficiently. Moisten your fingers and reach into the filter opening. Run your fingers across the filter. Lint must be removed from in and around the dryer (check behind the machine) to reduce fire hazards. You should immediately wipe any spills or washing compounds on the washer and dryer. Wipe with damp cloth. Do not hit the surfaces with sharp objects. Dryer control panel and finishes may be damaged by some laundry pretreatment soil and stain remover products if such products are sprayed on or have direct contact with the dryer. Damages to the dryer from pretreatment products may result in charges to you.

3. Dishwashers
Rinsing your dishes before loading helps prevent the drain from clogging. If you have dishwasher safe plastic and wooden items, load them in the top rack only. Do not place fragile glassware in the dishwasher because the jet action may cause breakage. If you do not know how to operate the dishwasher, call us for instructions.

4. Heat & Air Conditioning (HVAC)
If your apartment is equipped with individual unit wall or central air and heat, an ideal temperature setting is between 71° and 74°, with the minimum to maximum range being from 68° to 78° (please be aware that setting your thermostat to temperature extremes may cause damage to your HVAC unit). You should allow a minimum of ten minutes for the temperature to adjust (choosing an extreme setting will not bypass this 10 minute adjustment). If at any time you find that your thermostat is malfunctioning or for more detailed operating instructions, please call us.

5. HVAC Filters
At move-in, your HVAC filter will be new. Twice-yearly, our maintenance team will schedule your filter to be replaced. Additional replacements can be requested at any time by calling the management office.

H. Pest Control
If your property provides interior extermination services, you will receive a letter notifying you as to when the company will exterminate your apartment. You can prepare for extermination service as follows:

- Remove all items from under kitchen and bathroom sinks.
- Pick up objects that may interfere with application.
- It is recommended that all persons and pets vacate the premises during treatment and not re-enter the home until treated floors, carpets and rugs are thoroughly dry. Under normal conditions, this may take 1 - 3 hours (4 hours are recommended).
- Turn off aquarium air pumps and cover tanks with plastic wrap. Pumps can be restarted about three (3) hours after treatment.

I. Furniture
The supplied furniture is designed for interior use only and may not be used for exterior purposes at any time. A labor charge will be assessed for furniture that must be removed from the exterior to their interior, as well as for any damages to the furniture. Any furniture provided by you must be removed at the end of your lease term or you will be assessed charges for the removal of such items.

J. Smoke Detectors
The smoke detectors in your apartment have been tested prior to move-in to ensure they are working properly. You are responsible for ensuring that all smoke detectors are working properly. We request that you test smoke detectors on a monthly basis. Please call us if a smoke detector starts "chirping" or if it is determined through monthly smoke alarm tests that the smoke alarm is not working properly. Do not disable smoke detectors. Disabling a smoke detector or removing working batteries is a violation of the law and may lead to fines and possible early termination of the Lease.

K. Energy Conservation Tips

Refrigerators

◊ Open refrigerator door only long enough to get the food items you need.
◊ Organize your food on the shelves for easy access.
◊ Before storing leftovers allow them to cool, that way your refrigerator or freezer will not have to work to cool them off.
◊ Refrigerators and freezers operate more efficiently when they are full, but overloading will prevent cold air from circulating properly.

Dishwasher

◊ Only wash full loads and use the energy-saver setting.
◊ Allow dishes to air dry.
◊ If you wash dishes by hand, fill the sink with water instead of letting the water run and rinse with cold water.
Stove
- Defrost food first in the microwave and cover pots to shorten cooking time.
- Keep your oven and range free of grease and baked-on residue laundry

Washer and Drier
- Wash full loads and use cold water instead of hot water.
- Dry full loads and clean lint filter after each load.
- Most materials only need a 10-15 minute wash cycle to get them clean, over washing and over drying will wear out your clothes faster.

Water
- Turn the water off when you're not using it - such as when lathering your hands with soap, brushing your teeth and scrubbing dishes.
- Decrease your showering time to about 5 minutes.

Lights and Other Appliances
- Replace your incandescent light bulbs with compact fluorescent lights (CFLs) they use 75% less energy and last up to 10 times longer.
- Turn off lights when you leave a room.
- Unplugging or turning off appliances when you're not using them can save a significant amount of energy.
- Thermostat should never be turned up high to heat a home in a hurry (it will not heat your home any faster).
- Do not let heat or cold air escape - keep windows and doors closed while in use.
- Use fans and open windows to create a cross-draft instead of using your wall or central air conditioning.
- Keep your vents free from obstructions.
V. YOUR COMMUNITY

A. Office Hours and Closings
Office hours are posted at the management office. The management office may occasionally be closed due to holidays, inclement weather or other circumstances. If the office is closed, a sign or notice will be placed on the front entrance to the management office and in all high traffic areas. The sign will include information as to when the office will be closed, when the office will re-open and the telephone number for maintenance emergencies. For holidays or when the staff is attending training or other professional meetings, we will provide reasonable notice via posted signs on front entrance to the management office, and in all high traffic areas.

If you have any questions regarding gate operations, you should ask a community representative. Gates are not intended to provide security or to ensure your safety or that of your guests. You will be issued a card, a remote entry device, or a code to enter the gates and a deposit may be required. If an entry device or card is lost, please call us. If an entry device or card is not returned to us at move out, or is lost, a replacement fee will be assessed. Use caution when approaching the gates. Only one car at a time may enter. If you try to follow someone else into the community the barrier arm/gate can, and most likely will hit your car. Should this occur and the gate is damaged, you will be responsible for repairing such damage. Never obstruct the functioning of the gates by propping them open. Many gated entrances are monitored by cameras to insure compliance with all rules for entrance into the community. These systems are designed to allow only those users who are authorized to enter.

- Do not allow children or pets near the gates.
- Do not enter through the exit gates. This is very dangerous and should not be attempted.
- Do not walk through the gates.
• Do not push gates with vehicle.
• We will not be liable for any damages to your or your guest's vehicle.

F. Access Devices
You may be issued an access device for entry into the buildings and/or amenities. Only one access device will be issued per resident and a deposit may be required. The access device must be with you at all times when using the amenities. If you lose the access device or fail to turn it in with your keys at the end of the Lease, you will be charged a replacement fee. A replacement device will not be issued until we receive the replacement fee.

G. Car Repairs
To maintain a pleasing appearance and for safety and environmental concerns, we ask that you schedule auto repairs away from the community. Cars may only be washed in the community if there is a designated area.

H, Mail Delivery
In some cases, the United States Postal Service (USPS) does not sort or deliver mail to student housing apartment communities. In these instances, non-postal community employees will sort your mail. Whether the USPS or community employees sort your mail, we will not be responsible for any problems or matters that may arise out of their efforts to provide mail services or claims that may arise out of the service. You understand that from time-to-time prompt delivery may be impossible. We are not responsible for lost or damaged envelopes or any other type of mail delivery. We are not required to forward mail. If this is not acceptable to you, you may elect to pick up your mail at the local USPS Substation at your expense. You are required to put your entire address, including apartment number/room number and room letter on all mail. You are responsible for your mail being correctly addressed.

K. Multimedia Library Rules
If your community has a Multimedia Library, you are responsible for all movies or games borrowed by you or your guests while using the multimedia rental services provided at the community. You agree to return all movies or games in good working condition (except for reasonable wear and tear) within the designated time frame. You agree to check out these CD’s, DVD’s, videos and/or games at your own risk and will not hold us or Video Rental services liable for any possible damage to your equipment. You agree to pay the daily late fee for each day you are late in returning the movies or games and a rewind charge if the tapes are not rewound when they are returned. You authorize us to charge your rental account the total amount owed, including full market value of all items not returned in good working condition (except for reasonable wear and tear).

L. Laundry Facility
The Laundry Facility is open 24 hours unless otherwise posted. If the machines are coin operated, you will need to bring quarters, as we will not supply change. If laundry cards are required, see community representative to obtain a card. A small fee may be required to activate a card. Please report any inoperative laundry machines to use. Time your laundry cycles so that you can free up the machines for other residents. Please be courteous by avoiding use of most or all of the washers and dryers at one time. If you accidentally open someone’s dryer, please be sure to press the start button (hold for a few seconds). Please refrain from removing someone’s laundry from a machine unless it has been left unclaimed for over an hour. Please do not remove laundry carts from the Laundry Facility. We are not responsible for any items left by you in the Laundry Facility, including clothes, detergents, baskets, etc.

M. Parking
The availability of parking is limited. A parking permit is required at all times.

You and your guests are at all times required to abide by all established parking regulations, as well as those enforced by the local Police and Fire Marshal. These rules apply to all motorized vehicles, including cars, motorcycles and scooters. We are not responsible for any damage to your or your guest’s vehicle while parked at the community. For additional rules, please refer to the Statement of Rental policy posted in the leasing office. If the conditions for parking are not met, your vehicle may be towed without notice at your expense. It is your responsibility to make sure your guests understand these parking rules and regulations as their vehicles may be towed at their expense if parked improperly. You and your guests agree to abide by the rules regarding parking:
• Any illegally parked vehicles, vehicles with expired tags, or vehicles violating the regulations below or any other applicable regulations may be towed at the expense and sole risk of the owner of the vehicle.
• Parking will not be allowed in the areas marked as future residents either one before or one hour after regular business hours.
• You may not have more than one (1) vehicle in the community at one time and your vehicle must be properly registered with our office. Additionally, two-wheel motorized vehicles may be allowed subject to the rules of the community.
• Vehicles may not park at any time in a fire lane, in front of a dumpster, in any non-paved area, in crosswalks, in designated handicapped spaces without legal permission, or in any other unauthorized location. Vehicles may not block entrances, exits or driveways. Vehicles cannot, at anytime for any reason, park in reserved parking spaces whether covered or uncovered, unless assigned by us. Any vehicle parked in any of the above areas may be towed at the vehicle owner's expense and sole risk.
• Boats, recreational vehicles, trailers, campers, commercial vehicles and trucks larger than the standard size may not remain on our property except for the purpose of loading and unloading; however, we reserve the right to permit these vehicles in designated areas.
• You may not perform any mechanical repairs or maintenance while on the premises. You may only wash your vehicle in a designated area, if provided.
• You agree you will inform your guests of all parking rules and restrictions.
• Our towing company frequently, and at random, and without being called by us, tows any vehicle that is inoperable, has an expired or invalid license plate or expired temporary license plates, and/or is in violation of any of the other provisions of the Lease, the Parking Addendum and this Handbook. This is the only notice you will receive. You will be towed if you are not parked or permitted correctly or you are not in compliance with all other state or local requirements. No further notice will be given.
• You are responsible for towing and storage charges. We are not responsible for tickets received for parking violations of any area within our community or anywhere else outside our community.

1. Parking Permits
• If your community requires a parking permit (decal), you expressly agree to display that permit on the lower corner of the driver's side of your front windshield. Vehicles violating this provision may be towed at the vehicle owner's expense.
• Two-wheel motorized vehicles are subject to these requirements.
• A parking permit allows you to park on premises upon availability. A permit in no way guarantees the availability of parking in front of your building or even on the property. A permit does not allow vehicles to park in fire lanes, crosswalks, designated handicapped spaces, in front of dumpsters, blocking entrances, exits or driveways, or to park in any other unauthorized area.
• Parking permits become invalid at the end of the Lease term or earlier, if the Lease is terminated either by the community or you, or if you sublease your apartment.
• Permits expire prior to the start of each fall academic term. If you renew the Lease, you must obtain a new permit from us at the end of your current lease term. Your old permit will not protect you against towing. Permit colors change each year.
• Parking permits are valid only on the vehicle registered on the Parking Addendum. Permits are non-transferable between vehicles or between residents and nonresidents.
• The community reserves the right to revoke parking permits at any time, for any reason.

2. Guest Parking
There are a limited number of parking spaces on-site. Where and when applicable, your guests may only park in a designated “guest or visitor parking space,” and they are subject to all the provisions of this Handbook. If a guest parking permit is required, you agree to obtain such permit for your guest in advance during regular business hours only. We reserve the right to limit the number issued each day and to issue none on any day we choose. Guest permits must be clearly in view in the front window on the driver's side of the vehicle. If the permit is not visible for any reason, the car will be towed at your expense. You understand that failure to comply with any of these parking conditions will result in the fines and consequences outlined in the Lease and/or in revocation of your parking permit.
VI. YOUR CONDUCT

You are responsible for the consequences of your and your guests' actions. You should inform your guests of conduct rules and accompany them within common areas at all times. We may exclude from the community guests or others who, in our sole judgment, have been violating the law, violating the Lease or any apartment rules, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area a person who refuses to show photo identification or refuses to identify himself or herself as a resident, occupant, or guest of a specific resident in the community. Failure to cooperate with any staff request for identification will immediately lead to a request for police assistance.

A. Drugs and Alcohol
You or your guests will not engage in or permit your apartment to be used for criminal activity, including drug-related criminal activity and will not engage in the manufacture, sale, or distribution of illegal drugs at any location, whether on, or near, the community. It is your responsibility to notify the proper authorities if you suspect a roommate or a guest is engaged in illegal activities. Possession and consumption of alcoholic beverages must be in full compliance with local, state and federal laws and regulations and in accordance with these rules and regulations. Violation of the above shall be a material violation of the lease and may be cause for termination of tenancy. A termination does not release you from your financial obligations under the Lease.

B. Smoking
Cigarette butts must be disposed of in the proper receptacle and not left on the ground, on your patio or balcony floor or anywhere on-site. If you fail to comply, a fine will be imposed by us and you will be charged any and all clean-up costs.

C. Firearms, Weapons and Hazardous Materials
You may not under any circumstances have a handgun, rifle or any other weapon of any kind on our property regardless of state or local law to the contrary. Weapons of any kind are not permitted including, but not limited to, hunting equipment, slingshots, gas-powered guns, air rifles and paintball guns. Any form of explosive devices, including but not limited to firecrackers, fireworks, ammunition, pyrotechnics and similar products, are prohibited anywhere in the community at all times. It is a misdemeanor to possess, store, sell or use fireworks in or around the community. You may not store gasoline in your apartment or on the patio or balcony. Harbor or possessing hazardous materials with intent or purpose to create explosive devices shall be referred directly to the proper authorities. Any violations of this provision of your Rules and Regulations may constitute any event of lease default leading to lease termination and financial penalty.

D. Motorcycles & Scooters (fuel or electric operated)
All fuel or electric operated vehicles may only be parked in designated areas and must be properly registered (see "Parking" under Your Community in this Handbook). Due to safety concerns, it is prohibited to store such vehicles inside the apartment, on your patios and/or balconies, in stairwells, on landings, breezeways and/or walkways. Any of vehicle found beyond the designated areas may be cited, towed, and impounded at your expense.
E. Noise
Excessive noise and/or loud music in apartments, patios or balconies, hallways or common areas cannot be permitted at any time. This includes stereos, televisions, musical instruments, slamming doors or windows, running up and down stairs, sounding vehicle horns and yelling. You are responsible for your and your guest's behavior at all times. Should you have a party, you may be required to complete a Party Registration Form (see "Party Registration" under Your Conduct in this Handbook).

F. Odor
You will not permit any offensive odors to originate from your apartment or bedroom at any time.

G. Conduct
Both direct and indirect forms of verbal and written abuse, threats, coercion, physical or verbal harassment, intimidation, violence against another person or their property, or causing the apprehension of physical or verbal harm are prohibited at all times and will not be tolerated. Pranks, razing and/or practical jokes are not allowed under this provision of the rules. Conduct that threatens the health and/or safety of any person, including your person, may result in fines and possible termination of your Lease, privileges and possible criminal action. You are responsible for reporting abuse to appropriate authorities. At all times and under all circumstances, you and your guests are expected to conduct yourselves in accordance with the rules contained in this Handbook.

H. Complicity
In the presence of a policy violation, you may attempt to stop the violation and agree to contact the management staff and/or immediately remove yourself from the situation and the vicinity of the violation. If you choose to remain at the scene of a policy violation, you will be included in the documentation and may also be held accountable for applicable policy violation(s). Concealment is also considered a policy violation. If concealment should occur, you may be considered an accomplice to the violation and be subject to any actions outlined above.

I. Party Registration
You will be responsible for the actions of your guests and for cleaning up all trash, cigarette butts, bottles, containers and glass, etc. caused by your guests, roommates and/or you, or as a result of your party. If you do not clean up after the party, you will be fined according to the Lease and this Handbook. You may not have more than 10 people inside your apartment and if you exceed this limit or disturb others your party will be shut down immediately. If required by your community, you must collect signatures from neighbors on the Party Registration Form (see a community representative for form) proving you have spoken to them about the date, time and hours of your party. An additional Party Deposit may be required and the deposit will be returned at the completion of the party if there are no fines or damages. The party will not be authorized until the manager has signed the completed Party Registration Form.
VII. MOVING OUT OF YOUR APARTMENT

A. Move-Out Process
Prior to the end of the lease term (if you have not renewed the Lease for the next school year), you will receive a letter outlining the move-out process. You will be required to clean your exclusive space, bedroom and/or apartment and you will be responsible for payment of damages assessed against you. You will be notified as to the scheduled move-out date and you must turn in all keys, access card/FOB, gate transmitter along with your forwarding address by noon on that date. If you do not meet this deadline, you may incur additional holdover charges or fees. If you are renewing with us and are moving to a different apartment, bedroom or exclusive space, you will receive additional instructions for transferring to your new location. Prior to move-out, all late charges, delinquent rents and outstanding fees for damages must be paid.

1. Checking Out
You have two options for checking out of your apartment:

Option 1
Our Standard checkout procedure is to have a staff member inspect your apartment and note damages prior to the move-out date. If you elect to have a move-out inspection, you must call us to schedule an appointment. All appointments will be scheduled during the week, prior to the move-out date and you must be present for the review. No Move-out Inspections will take place on the scheduled move-out date.

Option 2
We offer an Express Checkout as a convenience to our residents. If you do not wish to have a move-out inspection with a staff member, you will be instructed to pick up the Express Checkout packet from the management office in advance of your move. You will drop the completed form and keys at the management office prior to leaving the community. The move-out process will not be complete until all residents within an apartment have moved out (regardless of whether you utilize the Standard Checkout or the Express Checkout). Once all residents within an apartment have checked out, the apartment will be inspected for damages, charges will be assessed, and deposit refund checks will be processed accordingly.

2. Move-out Cleaning Guidelines
You will be provided with move-out cleaning instructions prior to moving out and when you give notice; however, the following general guidelines must be completed in your exclusive space, bedroom and/or apartment prior to check-out whether or not further instructions are given:

  o Clean exhaust hood (exterior as well as grease under the hood) and clean the fan filter over the stove.
